Sir:

Responsive to the Office Action dated November 8, 2001 (the "Office Action") issued in connection with the above-identified application ("subject application") and to place the subject application in better condition for allowance, please amend the subject application as follows:

In the Specification

Please amend the paragraph starting on line 3, p. 15, to read as follows:

Fi
--As noted above, rail system 40 is conveniently adapted for use in attaching accessories to saw 10. One such accessory is workpiece guide 60 which is particularly adapted for use with the above-described embodiment of the rail system 40, and which incorporates novel features
